ment of the team for Yale. Brown then had everything to gain and nothing to lose and some of her supporters were willing to give even money that she would win. The feature of Harvard's lineup was the appearance of Knt lion at right tackie and Newhall at quarter-back in place of Starr, last year's regular, who yesterday was relegated to the second substitutes.

Harvard made only one touchdown in the first half, pushing the Bin over to the bands of Knowiton within the first five minutes of play. Burr failed to make the goal from a difficult angle, and Harvard could not get the ball nearer than Brown's thirty-gard line after that. Harvard apparently did not care to score again, and firished the half with an excludinge of coats. Burrand Adams each repeatedly booted the ball over fifty yards, though the Crimson team had gained slightly at the call of time. Brown was mable to make any good gains through the Crimson team at any time, while Harvard, 5 Brown, 0.

WEST FOINT, N. Y., Oct. 28.—Yale
came here to-day to retrieve if possible
the defeat at the hands of the Army
last year. They came prepared to also
make themselves heard, for fully three
hundred undergraduates, each armed
with a megaphone, arrived shortly after
the team.

All the railroads and river boats ran
specials to West Point and the old
academy presented a gain appearance
as the teams faced each other.

West Point wa more than ordinarily
annious to win the game to-day, for
this would be balm to the sting of
their defeat at the hands of the Virginis Pelytechnic Institute a few
weeks ago. The best that the army can
bring forth is in the game to-day,
and they are in much better condition
than last week, when they played the
Crimson almost to a standstill. The
day was threatening and there was
hardly any wind to give either side
advantage.

Many high army and navy officialwere spectators.
